We are seeing stories of healing in our church! From a man whose daughter was cured of cancer, to a couple who's marriage has been redeemed after being on the verge of divorce; God is so good and he's on the move in the heart's of our people!

-Pastor Alejandro Rodarte, Espanol Campus

This year, Pastors Michael and Stacey Breedlove approached Ashley and I to share that, after 22 incredible years in the church, they were ready to make a leadership transition. The Breedloves have poured thier hearts and lives into the Wellington campus, and they were asking if Ashley and I would be willing to step up and do the same. After prayer, we knew this is what God is calling us to do. God has poured out his grace over our campus this year and is on the move with vision for our future!

-Pastor Jermaine Cantu, Wellington Campus

It's been amazing to see God's hand and divine planning at our campus and in the lives of our congregation. A family recently visited our campus the day after moving from out of state. They received a word from our prophetic team that confirmed for them their decision to move - it was nearly identical to what the Lord had been speaking to them that prompted their move to Lubbock! Since that Sunday, they have completed Growth Track, are connected into Groups, and planning to serve on the Dream Team!

-Pastor Jody Wilson, Lubbock Campus

On one 1st Wednesday, when asked if Holy Spirit was prompting anyone to pray for healing, one of our Exchange students came forward to pray for a healing for someone's heart. When asked who Holy Spirit was prompting to receive that healing, the student's mother raised her hand. She had recently had some physical issues with her heart. Her son ended up praying for healing for his mom's heart! This is one of many stories of healing, activating faith, and the impact that Holy Spirit is having on a regular basis at the North Campus. Thank you Jesus for how you are changing lives!

-Pastor Tyler Leavitt, North Amarillo Campus

Something I hear again and again is, "When we walked into church for the first time, we knew this is where we wanted to be." We hear story after story of individuals, couples, and families feeling Holy Spirit's presence as soon as they walk in. They know they are welcome, seen, and valued here.

-Pastor Cole Wells, Decatur Campus

The impact of our campus on our community has been felt in more ways than we could have anticipated! We recently had a Pampa ISD Social Worker share with us, "I appreciate TFC Pampa and your giving hearts. We have many needy families in our community, and I'm so happy that Trinity sees those needs." We are so grateful to be able to serve and impact this amazing community.

-Pastor Kris Humphries, Pampa Campus

A couple is walking away from the camera across a large, green grassy field. The woman is on the left, wearing a dark blue dress, and the man is on the right, wearing an orange t-shirt and blue jeans. They are holding hands. The background shows a line of trees and a clear sky with some clouds. The lighting suggests it is late afternoon or early evening, with long shadows cast on the grass.

Budget Allocation

At Trinity Fellowship, we faithfully and strategically allocate funds to our five core ministry vehicles: Worship, Ministry, Outreach, Generations, and Community.

Building Fund

God has entrusted us with a great privilege: the opportunity to invest in people. Our building is the place where the return on that investment is realized, as we see people's lives being renewed, transformed, and made whole. Making a commitment to the building fund is one of the most impactful ways you can help your campus thrive!

HOW TO PRAY IN 2023
